

2017 CENTRAL PENNSYLVANIA SKEET LEAGUE

For 2017, we will continue with an 8 shoot season, with 3 shoots each held at 2 Clubs with the third Club holding 2 shoots and the banquet. This year Carlisle and Cocalico will hold 3 shoots each and York-Adams will hold 2 shoots and the banquet. Please see the attached schedule (page 3).

*** Please note, there will not be a weekend off between shoots 7 & 8 to avoid the Easter holiday.**

The entry fee for 2017 will remain \$25 for Adults and \$10 for Juniors.

We will continue the Optional Lewis Class Purse, with the fee of \$5.00 per shooter. The number of Classes will be based upon five scores per Class and could be altered due to lack of shooters, (1) winner per Class, and in the case of ties within the Class, (2) winners will be determined by long run, equally dividing the Class prize money. All prize money will be a credit to be used at an upcoming shoot. Unused credit will be paid at the end of the season.

We will continue to offer a raffle prize at each shoot to defray the awards and banquet costs. Please support this drawing and maybe win the prize! A special thanks to Doug Shade for his continued support donating prizes to the league.

There will be a Fun Shoot the day of the banquet, consisting of 25 16-yard trap targets, followed by 25 regular skeet targets, followed by 12 pairs of skeet doubles targets. Cost is \$15. Medals and 1000 Winchester 209 primers will be awarded for each of the three "events" and HOA. Ties in trap will be shot off with a regular round, miss and out. Ties in the skeet events and HOA will be shot off with skeet doubles at 3, 4 and 5, miss and out by station.

Doug Shade is also donating a shotgun to the CPSL this year. Everyone who attends at least six shoots (600 targets) will be eligible to shoot off for the shotgun. Handicaps will be issued in a Lewis Class style as it was done in 2016.

In addition to the Team, High Overall and Runner-up awards, we will have individual prizes awarded to HOA in Classes AA, A, B, C, D, & E. Your season ending Class will be based upon your best (600) targets averaged and classed from the NSSA 12 Gauge Classification table.

We will continue with eliminating Sunday 9:00am and 3:00pm squadding. This can be modified only by the host club due to weather related issues.

Have a great holiday and hunting season as we look forward to another fun skeet year and seeing you at the shoots. Let's hope for great weather!

Shoot straight and work for two at low eight!

CENTRAL PENNSYLVANIA SKEET LEAGUE 2017 RULES

Shoots are scored as (2) 50 target shoots and may be shot over one or both days of the weekend, schedule permitting. There will be no make-ups or shooting ahead.

(800) total targets can be shot with the best (600) targets counting for your individual score. You must shoot a minimum of (600) targets to be eligible for individual or team awards. (600) targets earn you two tickets while (500) targets earn you one ticket to the season ending banquet.

The top (5) highest individual scores of each Club/Team at each shoot will count as the Club/Team score. Club/Team scores will be cumulative throughout the season to count as the Club/Team final score to determine the League Champion.

If necessary to determine a Club/Team score for any particular shoot, Blind Scores will be used and will be the lowest score of any League shooter at that shoot.

Individual awards for HOA in Class AA, A, B, C, D, & E, with your season ending Class based upon your best (600) targets averaged and classed from the NSSA 12 Gauge Classification table.

Pre-squadding is required, but walk-ons can be added to open spots if available. However, the host club is not required to remain open for walk-ons after the last pre-scheduled squad of the day is finished. Please call the club representative or clubhouse for availability if you have not pre-squadded. Sunday 9:00am and 3:00pm squadding has been ELIMINATED.

Field assignments are determined and subject to change by club management in the best interest of efficient operation, not subject to preference of the shooters.

For inclement weather questions contact the club representative or clubhouse. Once the first squad begins shooting on either day, that entire day is considered official and all scores shot will be recorded. If no squad begins on a day due to bad weather, then it is officially postponed. The host club will schedule a make-up date, before the next shoot, for only those shooters who were originally pre-squadded for the postponed day. No other shooters can shoot the make-up day.

NSSA rules will be followed and enforced, including mandatory eye and ear protection.
