# Director's Letter

---

Welcome to the 2012 SCTP National Team Championships being held at Sparta, IL July 15th-21st and the Olympic Training Center, Colorado Springs, CO July 27th-August 1st, 2012

Our Scholastic Shooting Sports Foundation Board of Trustees, and our National Staff join me in welcoming all the shooter athletes, coaches, family and friends who are attending this great event.

The growth of SCTP continues as we add teams in all the divisions and the future looks very promising. The heart of our program is the coaches and volunteers at the local team level who work hard to establish teams and give unselfishly of their time. We also acknowledge the families of our shooters who support their activities and give them encouragement.

We have some exciting news with the addition of the Scholastic Pistol Program to the Scholastic Shooting Sports Foundation. The SPP will give the SSSF new opportunities to reach out to more youth shooters and to grow the depth of our organization. SPP is on site at the Championship and we invite you to sign up as a team and shoot your first match while you are here! No entry fee for the match, just pay the \$15 member fee, and go shoot...we have loaner guns and you can buy ammo at a discount.

We want to thank all our partners and sponsors for their generous support. The National Shooting Sports Foundation is our parent and industry partner and we thank them for their help and guidance. We are also pleased to be partners with USA Shooting in the development of potential Olympic Shooters and are proud that some of our Olympic Team members competing on London are former SCTP members.

We are fortunate to have sponsors like Midway USA/Larry and Brenda Potterfield whose generosity is instrumental in allowing us to grow youth shooting. There are many more great sponsors who are listed in this program and represented on site at the Championships. Please take time to visit them and say thanks!

The SCTP/SSSF National Staff, Directors of Development and our State Advisers work hard all year long to make our program better and to host a great Championship. We thank them for their efforts.

Lastly, our thanks to the World Shooting & Recreation Center, State of Illinois, and USA Shooting/Olympic Training Center for allowing us to utilize their facilities for our events.

Again, welcome and let's have a great Championship and most importantly have FUN!

Dan Hathaway  
Executive Director

## Scholastic Pistol Program (SPP)

### A Program of the Scholastic Shooting Sports Foundation

The Scholastic Shooting Sports Foundation has launched a new shooting sport, the Scholastic Pistol Program (SPP).

SPP provides the opportunity for young adults to participate in the exciting and challenging family sport of “speed shooting” in a supportive environment taught by trained and supportive adult coaches focusing on the safe handling and use of handguns.

SPP is organized based on age, Junior Division (ages 12 – 16), Senior (17 – 20) and Collegiate (no age limit).

The basic competitive unit of SPP is a four-person squad; each squad shoots four (4) stages. In SPP competition, your time is your score. Total score for all stages will determine each competitor's match score. The combined scores of the four shooters become the squad's match score.

### Special Match

SPP is hosting a special match during the SCTP Nationals as a way to introduce this new sport. This special match will be open from July 17-21 and the 4 stages may be shot at anytime during this period so a squad does not have to shoot all 4 stages at one time. So a squad can shoot the various stages at their discretion as long as they complete all 4 stages by the end of the day on the 21st.

### What is Needed to Compete in a Typical Match

- A “Production Class” handgun
- A minimum of 100 rounds 9mm ammunition (new shooters might need a little more)

### No Need to Bring Guns or Ammunition for this Special Event!

SPP partners Glock and Smith & Wesson will be on hand with free loaner guns so everyone can join in the fun. Also there will be specially priced Winchester 9mm ammunition for sale so teams do not have to worry about traveling with guns or ammo we have it covered for you.

### Match Fees & Registration

\$15 per shooter – which includes your 12-month SPP membership!

Being this is a special introductory match, pre-registration is not required, but is suggested. Squads may register at the SCTP Nationals (based on space availability).

**For more information concerning SPP, please contact SPP Director, Scott Moore at [jmoore357@yahoo.com](mailto:jsmoore357@yahoo.com) or 602.930.7778.**

**To pre-register (not required, but suggested) please contact: Tammy Mowry at [tammy.mowry@zoominternet.net](mailto:tammy.mowry@zoominternet.net) or 724.822.7390.**

### **Additional Guidelines:**

1. Current ATA, NCSA, NSSA, and USA Shooting rules, this program, and any match director's bulletins posted at the range govern this match.
2. All participants must be registered and fully paid before competing. Registrations are accepted on a first-come, first-served basis. All reservations will be done electronically through Shooterspost.com website.
3. All ammunition and practice rounds are the responsibility of the participant
4. Alcohol/illegal or individually unprescribed drugs and firearms do not mix. Alcohol and other illegal substances are strictly forbidden by the SCTP and World Shooting and Recreation Center during this event. Further, any person who is found to be in possession of, or under the influence of alcohol or drugs while using, cleaning, maintaining, inspecting, or otherwise handling their shotgun or any other firearm at any time will be immediately disqualified from the entire event and asked to leave without refund.
5. Safe gun handling and appropriate shooting attire are required. Flip flops and open-toed shoes are prohibited. Reprimands will be issued based on violation and could ultimately mean disqualification from the tournament.
6. Hat shooting is strictly prohibited during competition. Once all competition has been completed, hat shooting may occur 1) ONLY after receiving permission from the tournament director or staff member and 2) under the supervision of a state advisor or coach. Any competitor who participates in a hat shooting outside of both of these conditions will be immediately disqualified and asked to leave the competition without refund.
7. All shooters must sign the score sheet (next to the score total) before leaving the range.
8. Use of any tobacco product by anyone under the age of 18 is against Illinois State Law and any use of tobacco product by a SCTP Participant under the age of 18 is against SCTP guidelines. Participating in the use of tobacco product can be ground for disqualification from the tournament.
9. Any athlete or adult disqualified from the tournament will not receive a refund of any tournament fees, game fees, practice fees or any other funds paid to SCTP or its agents.
10. 1-3 Place ties in the Individual Skeet & Trap events will be broken by long run back and then long run front. Sporting Clay ties will be broken by three pre-designated tie breaker stations.
