

RE: Request for donation to the Mason-Dixon Clay Busters Youth Clay Target Team

On behalf of the Mason-Dixon Clay Busters, I would like to solicit your support for our youth shooting sports program. Established in 2007, the Mason-Dixon Clay Busters, Inc. is a 501(c)(3) nonprofit organization dedicated to youth shooting sports. Our Mission is to educate young people in the proper handling and safe use of firearms by providing a first-class, safety-focused, affordable, character-building environment where participants can develop as well as showcase their marksmanship skills.

Today's youth long for the type of wholesome opportunities that our program strives to provide; one where participants can grow, fellowship, and mature as well as compete with the top youth shotgun shooters in the nation. We estimate that there are hundreds of young people in our area that would benefit from the opportunities that our program provides, but we need your help to reach them.

It takes hard work, dedication, and lots of resources to support a youth shooting program like ours. The Mason-Dixon Clay Busters are continually looking to partner with like-minded individuals, clubs, and business so we can support and grow our program.

I would like to thank you for considering this opportunity to partner with our organization. To help you better understand of the costs associated with our program and ways you can help, we have attached our sponsorship form. Anything you can do to help will be greatly appreciated. If you have any questions regarding our organization, please feel free to contact me.
